

Come to an evening of fantastic musicianship & tight vocals with ...

Little Rabbit

Kat Mear (fiddle & vocals) and Kim Wheeler (double bass & vocals) make up Little Rabbit, originally getting together with a passion to play an unconventional mixture of bluegrass, pop, old time and Americana musical styles. For their concert in Humph Hall they will be joined by Quentin Fraser (bass, dobro, guitar & vocals)

Their music is a mixture of traditional songs and tunes, and original compositions that are always crowd pleasers. Kat, Kim and Quentin are all long standing 'old timey' and Americana enthusiasts; and it shows.

"Little Rabbit are simply amazing, from their fantastic musicianship to their tight vocals & mesmerising material. Their performance is bound to give you a good earworm to listen to on the way home from their show"
