

You are invited to an evening  
with up and coming young  
Australian singer/songwriter

# Renny M

Renny combines her  
unique vocals with  
painstakingly honest lyrics  
and unforgettable melody  
lines. With heart felt  
lyrics akin to the music  
by Australia's own Missy  
Higgins & Angus & Julia  
Stone, her universal songs  
reflect her big heart, and  
what can happen following  
the occasional break up.

"Renny M's songs emanate  
an emotion that will  
either bring back hidden  
memories or make you  
relate more deeply to  
the songs themselves  
and, of course, they are  
exquisitely played."

7pm, Friday 4th November 2016
