

Come & partake of an exciting Australian/African musical feast with . . .

Yeshe & Kurai

Yeshe & Kurai join forces to push out the edge of contemporary Zimbabwean Mbira Music, opening it up to other influences from Africa & beyond, including instruments such as Ngoni, bass, kick drum and mesmerising percussion. This exciting new musical project takes the old bottles of ceremonial and traditional Mbira Music and fills it with new wine.

7pm, Friday 6th November 2015
