

You are invited to experience an afternoon of beautiful music with . . .

John Billing (UK)

For the last 23 years John Billing has been earning his living as an independent musician; giving concerts across the globe with the lyre, composing, recording and teaching internationally.

For some of that time he has been closely connected to the Camphill Community and other Centers where daily life and work is shared with people with special needs. In recent years he has been extraordinarily busy teaching the lyre to many new groups of lyrists in different cities of China.

At Humph Hall, John will be joined by the Sydney Lyre Ensemble.
