

You are invited to an evening of lively music with the . . .

The Louey Hesterman Whimsy Band will present a range of material highlighting the varied talents of band members Christy Cooney (Cobbers, Cooney's Brew), Cyril Moran (Lawson Patterson songwriters award Port Fairy), multi-instrumentalist Ben Rogers and singer/songwriter Cora Browne.

They will be launching their new CD which is an autobiographical tale beginning in Echuca by the Murray River & travelling via Melbourne, Mildura and Vietnam to come to rest comfortably in Apollo Bay.

The story begins with Louey's classical piano lessons during childhood, later expanded with blues, pop and Celtic influences which are reflected in his compositions. The Whimsy flights of fancy include a voyage to the South Seas and a seemingly impossible mash-up of surf music and Celtic reels.

The whimsical genie is well and truly out of the bottle and the band's Heart & Soul shines through in their live performances.
